The books are given to the students for their entire semester for the study.

*Please visit our webpage <http://gcet.ac.in/gaa> and kindly update your membership profile via feedback form. Your valuable suggestions are welcomed to make the association better.*

To update the addresses of all the GCETians and to inspire active participation among the past students of GCET, an email bearing the new webpage of GAA and the details of activities of GAA was sent to almost every member in the month of August 2005. All the members were requested to provide their latest addresses and the address of their batch mates. This will enable us to revive our contacts with them.

To develop a slow but strong bond for the association among the members of GAA, it is decided to organize a welcome & get-together function immediately after Diwali vacation.

With these activities of the year 2005, we hope that the association will be better poised in terms of activities and progress. We, once again remind you all to help us by sending more addresses of GCETians who, in turn, could be persuaded for life membership. With a note of optimism we wish you and your friends a very happy NEW YEAR.
