Workshop for the Schematic and PCB design Under IEEE Student Chapter

Co-ordinated by-
Kavan Joshi
Riken Patel

Workshop for the Schematic and PCB designing

PCB Design using Reference software

- A workshop on PCB schematic and PCB Designing was held on Feb. 26,2011 under the aegis of GCET IEEE STUDENT BRANCH.
- Mr. Bhaskar Thakkar and Mr. Nilesh Desai conducted this workshop who are presently lecturers in EC dept. in GCET.

- There were 30 participants from our college.

There were 2 sessions...

(1) Schematic and PCB designing learning on reference software.

-Which was conducted by Mr. Bhaskar Thakkar.

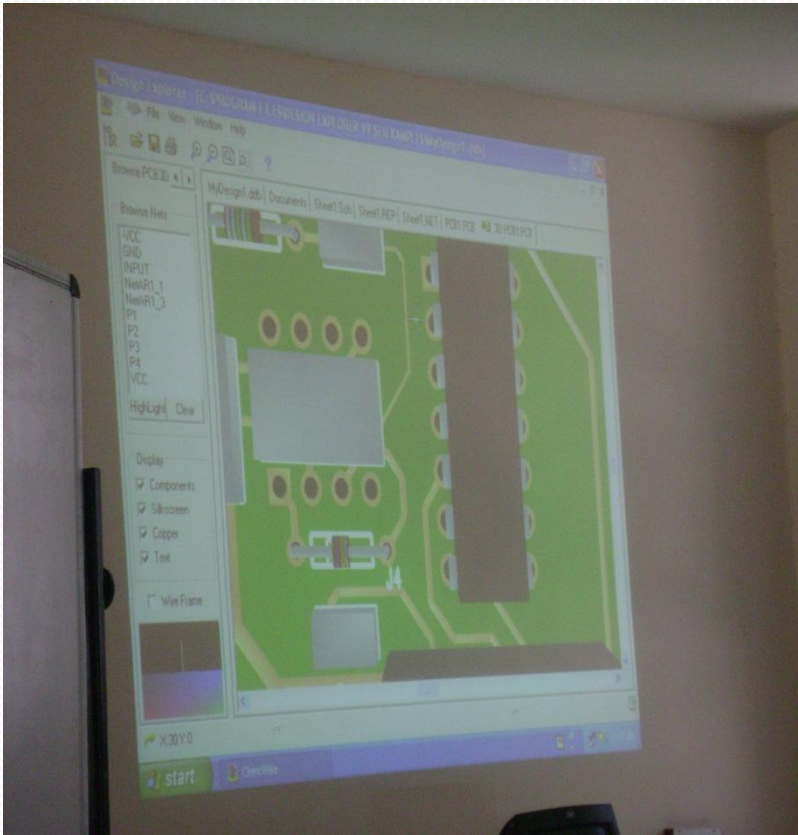

-The session was of 4 hour.

(2) Hands on session.

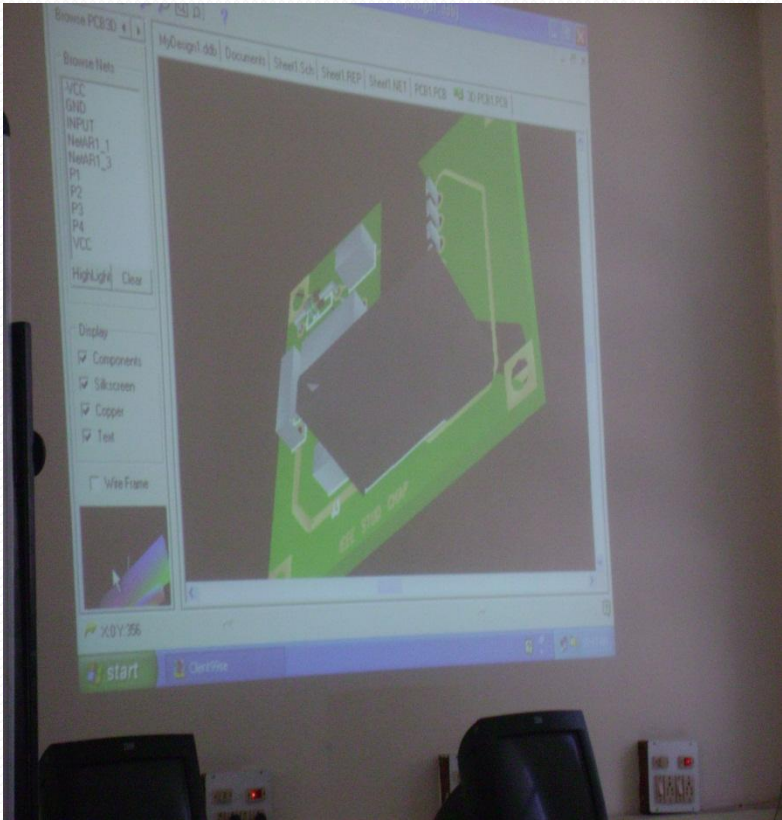

-Which was conducted by Mr. Nilesh Desai.

-The session was of 2 hour.

Session 1

Session 2

Guests present over there were

- Mr. Chintan Modi (GCET EC Dept.)
- Mr. Rakesh Patel (GCET EE Dept. & Counselor IEEE)
- Mr. Giriraj Patel (GCET EC Dept.)

Feedback and Certificate Distribution
