

Mrs. Smita B.Joshi
Lecturer(Physics)

Educational Qualification : M. Sc. (Physics), M. Phil.

Academic Experience: 14 years

Research Experience:

General Field: Renewable energy sources

Nature of Research: Theoretical & Experimental

Topic of M. Phil Dissertation: “CONICAL SOLAR STILL AND ITS APPLICATIONS AS A HOME APPLIANCE”

Professional Associations:

- 1) Life Member Physics Alumni Association, Dept. of Physics, S.P. University
- 2) Life member IAPT (Indian Association of Physics Teachers)
- 3) Life member ISTE (Indian Society for Technical Education)
- 4) GCET Alumni Association
- 5) Life Member SESI (Solar energy society of India)

List of Papers Published in the National/International Journals:

“KEDAR” – A Conical Glass Based Solar Still

Smita B.Joshi & Vasista D. Bhatt(Research Journal of Chemistry and Environment
Vol.2(2),June (1998)

List of Papers Presented in the National conferences:

- ‘TITLE: ANALYTICAL SURVEY OF HIGH EFFICIENT SOLAR CELL AND SOLAR ARRAY *Hiren C. Pathak, C .D.Pathak Smita B.Joshi* ,NCCS -09 ,GCET,6,7 March 2009
- “Sun” -The Supreme Power of Universe -Smita B.Joshi
National Women’s Conferences (EPWIE-2009) 3,4 July 24, 2009
