

**Charutar Vidya Mandal Sponsored  
National Conference on Advance Computing  
(NCAC09)**

**December 12-13, 2009**

**Registration Guidelines**

Dear Author,

The conference organizers should receive the revised and properly formatted Final paper, copyright form and the registration fee (and for full time students, the photocopy of ID card of the institute) before 25<sup>th</sup> November, 2009.

1. Send an email to [ncac09@yahoo.com](mailto:ncac09@yahoo.com) as explained below:
  - a. The subject of the email should be the paper ID (i.e. NCAC151).
  - b. The body (i.e. content) of the email should contain the following:
    - I. The statement “final paper submission”
    - II. The name of the author who presents the paper during the conference (i.e., in favor of whom the registration fee is/will be paid)
    - III. The title of the paper and the names of all the authors.
  - c. The email should contain the following attachments:
    - I. The camera ready paper (no headers, footers, page numbers or security settings. But it should contain the authors’ details and affiliations) should be no more than 10 pages in WORD format and should be formatted as per the instructions provided at:  
[http://gcet.ac.in/ncac09/paper\\_format.html](http://gcet.ac.in/ncac09/paper_format.html)
    - II. The scanned copyright form attached with this mail.
2. Pay the registration fee according to following details:
  - a. The fee is Rs. 1000 (in case the presenting author is a delegate from industry/R&D organization), Rs. 500 (in case the presenting author is a delegate from academic institute and not a full-time student) or Rs. 300 (in case the presenting author is a full-time student. In this case, you need to submit the photocopy of the Institute ID card where he/she is studying).
  - b. The fee should be paid as a Demand Draft favoring “Principal, G H Patel College of Engineering and Technology” and payable at Vallabh Vidyanagar/Anand.

3. Kindly write your paper ID and name in the back side of Demand Draft. Put the Demand Draft and clearly filled Registration Form in an envelope and mail the envelope to us at the address given below:

The Principal,  
NCAC09 - Information Technology Department,  
G. H. Patel College of Engineering & Technology,  
Vallabh Vidyanagar, Anand-388120, Gujarat.

**Kindly Note:**

1. Separate registration is required for each author to attend the conference. Same author can present maximum two papers for a single registration.
2. **Pre-conference workshops/tutorials** are also arranged during December 9-11, 2009. **Separate registration** is required for workshop/tutorial. For more information visit the website of the conference.
3. We will be able to provide accommodations for limited people. For details about this, visit the website of the conference.
4. Selected papers will also be included in the reputed journals after one more review process and reformatting for the particular journal. Your presentation during the conference may also be evaluated for the paper to be included in the journal.
