

G. H. Patel College of Engineering & Technology

GCET Alumni Association (GAA)

ELECTRICAL ENGINEERING DEPARTMENT

ALUMNI TALK

Name of Alumni: Vaibhav Shah

Date of Talk: 21/3/2015

Topic: Power System Protection

Faculty Coordinator: Prof. Chintan R Patel

Department of Electrical Engineering has organized an alumni talk for final year UG & 1st year PG students. Mr. Vaibhav Shah, presently working at ABB Ltd, Vadodara, delivered a very informative lecture on the topic "Power System Protection". More than 50 students attended the lecture. A speaker covered protection aspects of transformer and bus-bar in interesting manner. At the end of lecture there was a technical interaction through which many doubts of students have been cleared.
