

Industrial Visit Report

Name of Industry: Amul Cheese Plant, Khatraj

Date of Visit: 09/10/2017

Faculty Coordinators: Prof. Chintan Patel, Dr. Ritesh Patel

Class: 1st Year UG Students

Number of Visitors: 52 students + 2 Faculty Members

Department of Electrical Engineering has organized an industrial visit of Amul Cheese Plant. 52 students along with 2 faculty members visited the plant.

Students observed the entire cheese production cycle. Students observed Paneer and milk powder production in two different units. The plant is fully automatic with PLC and SCADA systems. Students had a wonderful experience of witnessing such an automatic and hygienic plant in very first semester of the study.
