

ENGINEERS' DAY CELEBRATION: EXODIA – '17

ASME Students Section celebrated Engineer's Day on 15th September, 2017. Three technical and two non-technical events were organized along with Poster competition. Total 200 students registered for the participation in the event from various branches of GCET. One invited lecture of Prof. Samir Shah was also organized entitled "Campus to Corporate". All students participated in these events enthusiastically. ASME students' section team, event coordinators and volunteers work very well for successful event. Faculty members of the department played a role of supporter and evaluator of the events.

Dr. Himanshu Soni (Principal) and Dr. Darshak Desai (Head of the Department) greet the students on this auspicious Engineers' day.
