An interaction at Community Science Centre

Organized by GCET Astronomy Club

On October 13, 2015, GCET Astronomy Club organized an interaction about astronomy and astrophysics at Community Science Center Vallabh Vidyanagar.

CSC vallabh Vidyanagar invited our GAC students along with faculty members for the event, where Prof. K N Joshipura, Honorary Advisor, CSC welcome the participants with warm wishes. Students with their curious questions were asking numerous questions to sir. With his motivating and inspirational teaching style Joshipura sir bound the students for about an hour. Students gained a lot of knowledge from this contact hour.

Dr. Foram M Joshi

Faculty coordinator,

GCET Astronomy Club
