

A BRIEF REPORT ON ONE DAY WORKSHOP ON “GRAPHICAL USER INTERFACE USING JAVA”

Date of Workshop : 1st October, 2015
Faculty Coordinator : Prof. Hetal Gaudani
Venue : A-215

Department of Computer Engineering organized a one day workshop on “GRAPHICAL USER INTERFACE USING JAVA” under ISTE Student Chapter on 1st October, 2015. A workshop was conducted by Prof. Hetal Gaudani. Workshop was specially organized for the third year Computer Engineering students. Main objective of the workshop was to motivate students to develop GUI based application using java. Following topics were covered in workshop.

| Sr No | Topic |
|-------|---------------------------------------|
| 1 | Basic of AWT and Swing |
| 2 | How to add components in window? |
| 3 | How to use different Layouts in java? |
| 4 | Event handling mechanism |
| 5 | Java applet |

There were two theory sessions and two practical sessions in this workshop.

Total 53 students participated in the workshop. The sessions were interactive, and the participants were found to be very much interested in the topics covered.
