

**A BRIEF REPORT ON TWO DAY WORKSHOP OF “OPENGL PROGRAMMING”  
FOR THE STUDENTS OF THIRD YEAR COMPUTER ENGINEERING**

Computer Engineering Department of G H Patel College of Engineering and Technology (GCET), organized a workshop on OPENGL Programming. Workshop was conducted by Prof. Namrata Dave and Prof. Krushna Pandit, GCET during 21<sup>st</sup> and 22<sup>nd</sup> February, 2014. This was specially organized for the third year computer engineering students. Main objective of the workshop was to motivate students to work with graphics library-opengl on visual studio platform, which can help them to create projects with graphical animations. There were two theory sessions in which students were introduced to opengl library with some interesting examples.

Students enjoyed theory sessions on both the days of workshop. They have given very good response during laboratory sessions as well.
