G.H.PATEL COLLEGE OF ENGINEERING AND TECHNOLOGY

Workshop on PLC Basics and Ladder Programing

Under ISTE

Electrical Department

Faculty Cordinator

Prof. Bhavesh R Hindocha

A workshop on Basics of PLC and Ladder Programming was held under ISTE student chapter on 6th August, 2016. It was conducted by Prof. Bhavesh R. Hindocha. 26 students of Final year Electrical had participated for that.

As Programmable Logic Control (PLC) is the prime requirement in today's Industries for automation and there is no course for the same in B.E. Electrical, this workshop was held to introduce final year students to PLC.

Workshop was very informative. Professor taught students about basics of PLC, How it works, Types of programing. Students also get to know about Ladder Programing in depth. We have also done basic PLC Ladder programing practical. These are some stills from the Workshop.

Participants

1	Rathava Mayursingh J.	120110109058
2	Joshi Khilan H.	130110109018
3	Prajapati Ketan A.	130110109044
4	Chudasama Dharmesh	140110109004
5	Vhora Munirbhai	140110109012
6	Rangrej Jigarkumar	140110109010
7	Patel Kaushikkumar	140110109008
8	Jenil Gohel	130110109010
9	Patel Yagnik	130110109039
10	Hardik Kumar Jha	130110109014
11	Sangani Deep	130110109050
12	Patel Pratikkumar	130110109035
13	Shivansh Srivastava	130110109055
14	Jethwa Shreyansh	130110109017
15	Bhatt Jash	130110109005
16	Hardik Sathwara	130110109013
17	Mehta Meet	130110109025
18	Apeksha A Lad	130110109002
19	Chotai Deep	130110109007
20	Prajapati Dhavalbhai	130110109043
21	Hirapara Kevinkumar	130110109015

22	Patil Parth	130110109040
23	Patel Kishan	130110109034
24	Patel Arsh	130110109031
25	Shaparia Brij	130110109054
26	Shah Bhavin	130110109051
27	Vishal Shah	130110109052
