Report on the Java programming contest Byte-o-Code

Event Name: Byte-o-Code

Computer Engineering Department, GCET.

Time : 11:30am -5:00pm

Judges: Prof. Mahasweta Joshi, Assistant Professor,

    Computer Engineering Department, BVM Prof.

    Prem Balani, Assistant Professor, Information Technology, GCET.

Faculty Coordinators: Prof. Namrata Dave

                  Prof. Priyanka Israni

The ISTE Student branch at G.H. Patel College of Engineering and Technology (GCET), V.V. Nagar (region III) organized a technical programming contest Byte-o-Code under the Department of Computer Engineering on 16th of September 2017. The contest was open for the students of Information Technology and Computer Engineering branches of all the colleges. 57 students from GCET, 3 from ADIT, 10 from BVM and 04 from SVIT, vasad have registered for the contest.

The contest began at 11:30 am in which 44 students have appeared for the first Round that was written MCQ's test of half an hour. The first round was cleared by 24 students. The second round started at 1:30 pm and 22 students have appeared for it. Second round was on Application Development, which was divided into two levels and both levels were to be completed in 1 hour and 10 minutes of time. In the first level of second round, students were given problem definition and they should implement it in java for all possible inputs. Those who have cleared the first level, there time of completion of program was considered for evaluation purpose and they were allowed for second level. In second level of second round, students were given puzzle to solve and implement it in JAVA

The winner was Pratik Gadhiya from GCET and runner up was Abhimanyu Thakre from SVIT, vasad.
