The CSI Student branch at G H Patel College of Engineering & Technology (GCET), V.V. Nagar (region III) & Prof. Priyanka Israni (Faculty of Computer Department) organized a Workshop on “Exploring Machine Learning Using MATLAB” on 9th July, 2018.

The workshop was organized for UG and PG students of all the Departments. It was conducted by Prof. Priyanka D. Israni of Computer Department. Her areas of specialization are Soft Computing, Machine Learning and Big data.

The objective of the workshop was to make students explore the area of Machine Learning which has huge opportunities. Workshop was divided into two sessions. First session includes the basics of MATLAB required to implement the concepts of Machine Learning. Second session was on the concepts of Machine Learning and using the Statistics & Machine Learning toolboxes in MATLAB.
