

G H Patel College of Engineering & Technology
Department of Civil Engineering
PROJECT FAIR 2019
DATE: 30TH MARCH

Department of civil engineering G.H Patel college of engineering & technology has organized project fair on 30th March, 2019.

Total 22 projects were demonstrated by civil engineering students. They have displayed poster & rough prototype of their project. An open invitation was sent to all staff member & students of the institute. Many faculties have visited the fair. Project fair gives a platform for students to show their skills & ideas to industries & thereby enhancing project quality as per need of industry.

We have invited experts Dr. Vishal Arekar & Prof. Amit Amin from BVM Engineering College, V.V. Nagar to judge the projects.

By the judgment of experts following 3 projects were selected as best projects among 22 projects.

Sr.No	Enrollement No.	Student Name	Project Type	Project Title	Internal Faculty Guide
1	150110106027	Khetani Shivani Kiritkumar	UDP	Verification of underground utilities using GPR	Prof. Poorav Shah
	150110106034	Mehta Jenus			
	150110106047	Patel Rutvi			
	150110106061	Yadav Avinash			
2	150110106001	Aditi Gulabbhai Patel	UDP	Vegetable market waste management : treatment methods & potential uses	Dr. Snehal Popli
	150110106066	Waseem Raja			
	160113106006	Parmar Sachin			
3	150110106024	Kathiriya Janak	UDP	Treatment of contaminated water by ultra filtration process using portable filter device	Prof. Krunali Patel
	150110106003	Akbari Sagarbhai			
	150110106059	Trapasiya Nitin			
	150110106017	Harpal Akshay
