ANAND, GUJARAT, INDIA.**

NO. OF STUDENTS PARTICIPATED: 28 (FIRST YEAR EC STUDENTS)

FACULTY MEMBERS: 02

Prof. Rohit Parmar

Prof. Neha Upadhyay

One day industry visit to Amul dairy was organized by Electronics & Communication Engineering Department, GCET for their 1st semester students as a part of learning activity. The visit was planned for making observations.

Due to prior communications with Amul dairy, Mr. Sudaram Public Relation officer, made special arrangements for students of GCET. Visit started with the animation movie for showing glimpse of Amul dairy from its beginning at Anand district at auditorium of dairy memorial. It also gave introduction of company profile and its present functioning in dairy industry for different milk products. The technical team has explained automation of dairy through presentation containing many functional block diagrams and existing computerized controlled machineries. In post presentation period we were guided for old plant and new plant visit where students observed the totally automatic plant for Amul butter and milk powder. Also the

packing techniques were demonstrated for various products. Visit ended with memorable experiences and taste of Amul flavored milk.

We are thankful to the institute & company management for providing the all facilities and generous support.
