Time Duration: 09:30 AM to 5:30 PM

Day: Tuesday

Faculty Coordinator: Prof. Ela Jha

Venue: Seminar hall

Speaker: Mr. Krutik Shah (owner of DKS NDT at Vadodara)

Number of Participants: 60

Department of Mechanical Engineering of G H Patel College of Engineering & Technology, Vallabh Vidyanagar (A Charutar Vidhya Mandal Institution) had organized NON-DESTRUCTIVE TESTING workshop under GCET ISTE student chapter on 12th September, 2017.

Non-destructive testing (NDT) is a wide group of analysis techniques used in science and industry to evaluate the properties of a material, component or system without causing damage. As NDT does not permanently alter the article being inspected, it is a highly-valuable technique that can save both money and time in product evaluation, troubleshooting, and research.

The workshop started with introduction of Non-Destructive Test and finally to various application in Industries.

Mr. Krutik Shah was the resource person who is highly experienced person in the area of NDT training and services. He has served National and International industries in this area.

The session was held in Seminar Hall, GCET. Altogether 60 Students had participated in this Workshop. The participants were from UG as well as PG students. Some faculty members also attended the workshop. There were practical session also Conducted.

Hence the ISTE Student Chapter, GCET looks forward for similar support of the college, faculty members and students for organizing few more workshops.
