

WORLD WATER DAY

MARCH 22, 2017

IICHe Students Chapter, GCET is celebrating **World Water Day** to as a means of focusing attention on the importance of freshwater and sustainable management of freshwater resources in line with the theme of this year- 'Wasterwater'.

Every year, World Water Day highlights a specific aspect of freshwater. Under the theme 'Wastewater', the year 2017 provides an important opportunity to consolidate and build upon the previous World Water Days to highlight the symbiosis between water and wastewater in the quest for sustainable development.

Participants will get an opportunity to learn more about the theme of World Water Day and how wastewater is perceived as a valuable resource in the circular economy. Participants will also get a chance to listen to the experts in the field.

As a part of the celebration, the following competitions and events are being arranged, the details of which are attached with the adjoining flyer.

H₂whO?? | 'War'talap | Expert Talk | The abyss for documentary

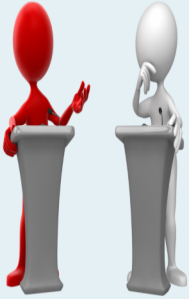

IICHe Students Chapter
Department of Chemical Engineering
ISTE Staff Chapter
G H Patel College of Engineering & Technology
(A Charutar Vidya Mandal Institution)

◆ **H₂whO?? : A Quiz competition**

Are you a fount of wisdom? If yes, then this event is for you. Quiz would range in general knowledge relating to **current global efforts for water conservation, waste water and its treatment techniques, water resource management and world water crisis.** (A group of two participants).

◆ **'War'talap : The debate on water**

Designed to provide an opportunity for you to hear other's opinion and to cast your own. Collect the facts, use your reason, challenge the opposition and be heard!. (Participation is individualistic).

Round 1-A minute to win it

"Privatization of water in India"

Round 2-The Nation wants to know

"Technology or common sense: The real savior of water"

◆ **The abyss for documentary**

A short documentary film focusing on the **Indian Water Crisis** will be shown. The film delivers a strong message "To a thirsty man, a drop of water is worth more than a sack of gold". A discussion session will be held at the end of film.

Registration is **FREE** for all the curious and concerned students.

The last date for registration is: **17th March**

Prizes will be given to **1st and 2nd** rank holders of all the events.

For Registrations contact: **Yash Aggarwal- 8200077317,
Aakash Patel - 9601483927**

- ◆ Students from all the disciplines are invited to join us on March 22. You will learn about water related issues, will get inspired to tell others and take action to make a difference.
