IMPORTANT NOTICE
Prevention of Cyber Bullying at GCET

We at GCET aim at imparting high quality of education to students along with nurturing discipline and etiquette. You should feel proud to be student of this college and GCET is also proud of students like you.

However, it is noticed that some of the students are engaged in owning **personal accounts on social media like Face book, Instagram, whatsapp email, etc** and sharing pictures and videos of the faculty members of the college without their permission.

There are instances where vulgar words and comments are posted and commented on such sites against the respectable faculty members and even for institute. **This activity is considered as 'Cyber Bullying' and is punishable offence under the 'Information Technology Act' of India.** All students are therefore advised to keep away from such accounts and should NOT follow or become members of such group.

There are accounts which are created using alphabets 'GCET' and the like. Details of such accounts would be gathered by the college authority and **STRICT** disciplinary actions will be taken **including rustication / debarment** from college, against all the students who are **Admin and who are the followers** of such accounts. No account should be opened using the alphabets 'GCET' or 'GCETIAN' or like on any social media without permission from Principal, GCET.

The Admins of such accounts on social media are advised to meet Principal immediately.

To maintain good image of college, all students should understand their moral responsibility and share any information of such accounts with the management.
