

Alumni Talk on

“Scope and Perspectives of Higher Studies after graduation in abroad”

Department of Mechatronics and GAA organized an alumni talk for the students of 4th year mechatronics. The event was organized on 9th July, 2015 at the Seminar Hall. The main motive behind this session was to motivate the final year students for higher education and to guide them for the same. Alumni of batch 2010 and 2011 batch visited the campus and shared their experience regarding preparation for further studies and various other aspects. Mr. Jay Patel, Mr. Harsh Sheth and Mr. Jayesh Patel from 2010 batch and Mr. Anand Ajmera, Mr. Love Rajai, Mr. Dhrudeep Thakkar and Mr. Arpit Sharma.

From 2011 batch were present to enlighten the path for their juniors. Mr. Love Rajai guided the student on how to select the project for the final year and then followed by how he prepared to fulfill his dream of becoming a pilot by applying in Florida Aviation Academy and how the knowledge he grabbed from college and his project turned to be useful for the same.

Followed by Mr. Jay Patel who took a drop of an year to prepare himself for GRE as well as in mean time he made sure that his free time is utilized in obtaining an online degree in a field that would boost up his profile to get admission in a good college or University in USA. He gave information regarding the scholarships being provided usually in terms of Teaching assistantship and what were the basis on which he selected the University in which he got admitted.

Later On, the session for carry forwarded by Mr. Jayesh Patel who was admitted to North Eastern University in branch of Mechanical Engineering. He talked about his bitter experience with the consultancy firms and advised the students to be cautious while selecting any firm. He also urged on applying independently.

From USA to Germany, next came in was Mr. Anand Ajmera who got admitted in BONN University. He talked about how the lack of paper presentation proved to be a disadvantage and was forced to shorten out some of the universities. He also asked his juniors to maintain a good academic record and participate in multiple activities that enhance their knowledge.

Mr. Harsh Sheth a prominent figure right from his college days was also present and guided the juniors regarding how to prepare for the exams of German language, how to prepare for IELTS and also opt for various English language proficiency test that can prove to be an edge in selection process.

The session was overall very fruitful for the students. The Head of Department Dr. Sanket N Bhavsar along with faculties prof Saurin Sheth and prof Ishaq Sheikh was present during the session and acknowledged the alumnus for the information they shared with the students. The students interacted with the alumnus and asked their questions and collected other information.
