

G H PATEL COLLEGE OF ENGINEERING & TECHNOLOGY

Workshop On “Fundamental of Image Processing”

8th September 2014

Department of Computer Engineering of G H Patel College of Engineering and Technology (GCET), organized a workshop on “Fundamental Of Image Processing”. Workshop was conducted by Prof. Namrata Dave and Prof. Kinjal Joshi, GCET on 8th September, 2014. This was specially organized for the third year and Final year computer engineering students.

Four Sessions on different topics of Image Processing and its application were delivered by professors of GCET and MBICT. Prof Namrata Dave introduced Image processing and discussed fundamentals of Image Processing. Prof. Kinjal Joshi delivered session on Object Detection in Image. Prof Hetal Gaudani delivered session on Face Recognition using PCA. Prof Hetal Chudasama, HOD, IT Department, MBICT delivered session on Applications of Image Processing.

Main objective of the workshop was to spread awareness of Image Processing fundamentals and its applications among students, which can help them to create projects in area of image processing. Students enjoyed all the sessions of workshop. **Total 65 students participated** in workshop.
