Industry Name: BISAG, G'Nagar

Date of Visit: 14th Septmeber, 2016

Faculty member/s Prof Krushna Pandit

Division of students: 2nd year CP Students(3rd semester)

No. of students: 54

Objectives:

- ➢ To enhance knowledge of students
- ➢ To bring awareness of government organization functions
- ➢ To know working role of a person in industry

Company profile:

Bhaskaracharya Institute For Space Applications And Geo-informatics (BISAG) Established In April, 1997 Under Gujarat Government Resolution Of Education Department, GR No. - 1096-21. Dated February 26, 1997. It is a State Level Nodal Agency To Facilitate The Use Of Space And Geo-Spatial Technologies For The Planning And Developmental Activities Pertaining To Agriculture, Land And Water Resource Management, Wasteland/Watershed Development, Forestry, Disaster Management, Infrastructure And Education.

Summary of visit:

We arrived at BISAG at 11:00 AM. After that we gathered at BISAG front gate and visited various departments of BISAG.

At first we went to the Academy of Geo-informaics for sustainable development, where the students were informed of satellite mapping of earth & how the satellite mapping categorized the different areas on earth like water area, hill station, open land etc.

Next we went to official video broadcasting from BISAG for chair persons of Gujarat Government.

Conclusion:

It was a Wonderful experience for all students as well for staff. Every student was very co-operative to each-other as well to the faculties. Students were acquainted of Geo-informatics & information broadcasting in BISAG.

We (all students and staff member/s) are very much thankful to Dr. Himanshu Soni, Principal of G H Patel College of Engineering & Technology and Dr. Maulika Patel, Head of Computer Engineering Department for giving their valuable support.

We are also very much thankful to Ms. Bijal Chawla, Project scientist of BISAG & other staff for their co-operation during the visit.
