EVENT REPORT

NSIoT-2016

Department of Computer Engineering
(Accredited By National Board of Accreditation)
G H Patel College of Engineering & Technology
Vallabh Vidyanagar
(A Charutar Vidya Mandal Institute)

President

Dr. C.L. Patel, Chairman, Charutar Vidya Mandal

Chief Guest

*Dr. Debajyoti Mukhopadhyay
Dean, R&D, Maharashtra Institute of Technology, Pune*

Guest of Honor

Dr. D B Choksi, Chairman, Vallabh Vidyanagar Chapter

Patron

Dr. Himanshu Soni, Principal GCET

Convener

*Dr. Maulika S Patel
Associate Professor & Head CP*

Program Coordinator

*Prof. Hetal Gaudani
Associate Professor*

One Day Symposium was organized by Computer Engineering Department, G. H. Patel College of Engineering & Technology on "**Internet of Things**" in association with Computer Society of India and Sponsored by Gujarat Council on Science and Technology (GUJCOST). Around 308 Students and Faculty members from various institutes such as GEC Modasa, Babariya Institute of Technology, Vadodara Institute of Technology, DJMIT, BVM, MBICT, ADIT, DDU, SVMIT, Darshan Institute of Technology, Marwadi Institute of technology, Rajkot etc. participated in the Symposium.

The aim of organizing the Symposium was to introduce the next technological revolution which will be our future. The technology is on the verge of extending the communication between the things and connects things and human through internet. Thus things will have information and will have the ability to make decisions. This changes the complete scenario of using things and internet.

Symposium was inaugurated by Dr. C. L. Patel, Chairman, Charutar Vidya Mandal and President of the function, Shri V. M. Patel, Hon. Joint Secretary, CVM, Dr. Debajyoti Mukhopadhyay, Dean, R&D, Maharashtra Institute of Technology, Pune and Chief Guest, of the function, Dr. D. B. Choksi, Chairman, CSI - Vallabh Vidyanagar Chapter and Guest of Honor, Dr. Himanshu Soni, Principal, GCET, Dr. Maulika S. Patel, Head, Computer Engineering Department, and Convener of the Symposium and Prof. Hetal Gaudani, Program Coordinator.

Dr. Maulika S Patel, Convener had given the brief introduction about the department and various activities carried out every year to enhance the capabilities of student which had motivated them to step forward and organize this Symposium. Prof. Hetal Gaudani, Program Coordinator, had described the topics of the Symposium. Dr. Himanshu Soni addressed the audience and introduced the Institute. Then the Inaugural Address was given by Dr. Debajyoti Mukhopadhyay. Dr. D. B. Choksi gave brief overview of CSI activities. A brief description about the CSI Student Branch, GCET and various activities conducted since its formation in Jul 2015 was presented. A Website of CSI Student Branch, GCET was launched by the Dr. C. L. Patel. The inaugural function was concluded by the Presidential remarks and national anthem.

The keynote Lecture was given by Dr. Debajyoti Mukhopadhyay on "**Internet of Things: The New Kid in the Computing Block**". Next session was immediately continued by Dr. Sanjay Chaudhary, Head, Research, Ahmedabad University on "**IoT Applications**". After a Lunch Break, Session was resumed by Dr. Vithal Kamat, M.D., Baroda Electric Meters Ltd. on "**IoT Research Areas**". Last session was carried out by the Prof. Jignesh Patoliya, Charusat University on "**IoT Sensors and Devices**".

Symposium ends with the feedback from participants and a group photo of the volunteers and the organizing team with the Principal, Dr Himanshu Soni and the Chief Guest, Dr Debajyoti Mukhopadhyay. Dr. Maulika S. Patel, thanked all the participants and congratulated the team for putting their best for the success of the event.
