G.H.PATEL COLLEGE OF ENGINEERING & TECHNOLOGY, V.V.NAGAR
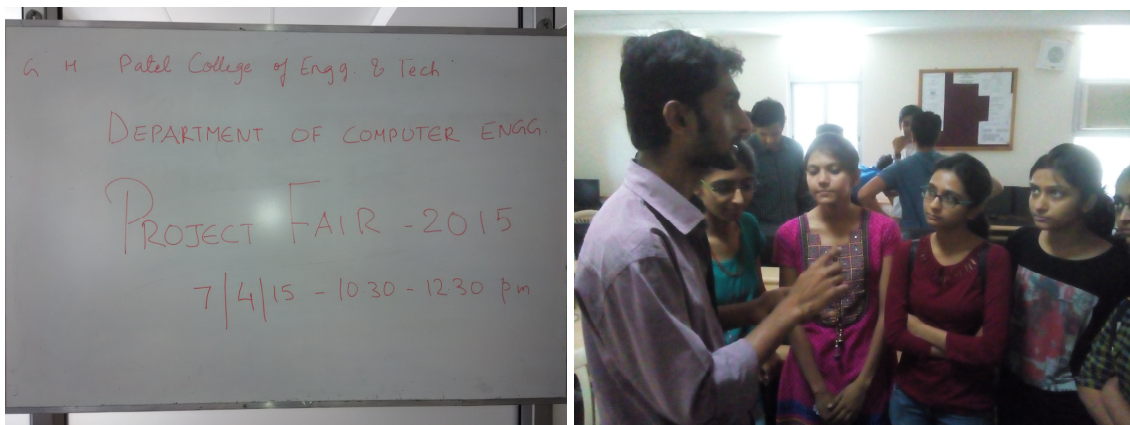

Department of Computer Engineering

Report on 'PROJECT FAIR-2015'

Computer Engineering department organized a Project Fair on **7th April, 2015**.The event was organized by Prof. Kinjal V Joshi, project coordinator under the guidance of Prof. Maulika S Patel, Head of Computer Engineering department.

Total **55** students of pre final year students had visited the fair and **29** projects were presented by **59** final year students.

Pre final year students got good guidance for next year project. They had given nice feedback about the event that this event will be very useful to them for deciding next year project definition.
