**REPORT ON ONE DAY WORKSHOP**

A one day workshop on Entrepreneurship and IPL was organized on 30<sup>th</sup> August, 2019, Friday. This event was coordinated by Dr. Ketan Tamboli and Dr. Mehul Gor under the auspices of IEDC, SSIP and IIC cell of GCET. All committee members of said cells enthusiastically cooperated for successful organization of this event.

In the first session, seminar by Mr. Sunil Shah – Chairman, Gujarat Innovation Society, Ahmedabad was presented on “Entrepreneurship through innovation” to the third year students of all branches. He lucidly discuss the qualities required by entrepreneur such as observation, flexibility, risk taking capability etc. with examples and stories of the successful entrepreneurs. The significance of innovation required for entrepreneurship was also discussed. 539 students were benefited from this session.
