Event Description:

Department of Electrical Engineering and Incubation & Entrepreneurship Development Cell of G. H. Patel College of Engineering and Technology (GCET) have jointly organized an **“Awareness seminar on Incubation and Entrepreneurship Development”** on 28th August, 2019.

In this session, Electrical 3rd Year, Total 49 students were participated. The objective of this seminar was to spreading awareness of Incubation and Entrepreneurship Development Cell at GCET and to motivating youth to be job creator instead of being job seeker.

Main focus of the seminar was to make students aware about the entrepreneurship and start-ups opportunities. Overall, students were very impressed from this program and in future if possible than they will start new business and be an entrepreneur of society.
