One Day Workshop

On

“LaTex Software”

In association with

CVM

at

GCET

On

16th February 2019, Saturday

Detail of the workshop:

- Date: 16th February 2019
- Timing: 9.00 AM To 2.00 PM
- Venue: D -308, EC Computer Center, GCET
- Faculty Coordinators:
 - Dr. Samir Trapasiya
 - Prof. Mayank Ardeshana

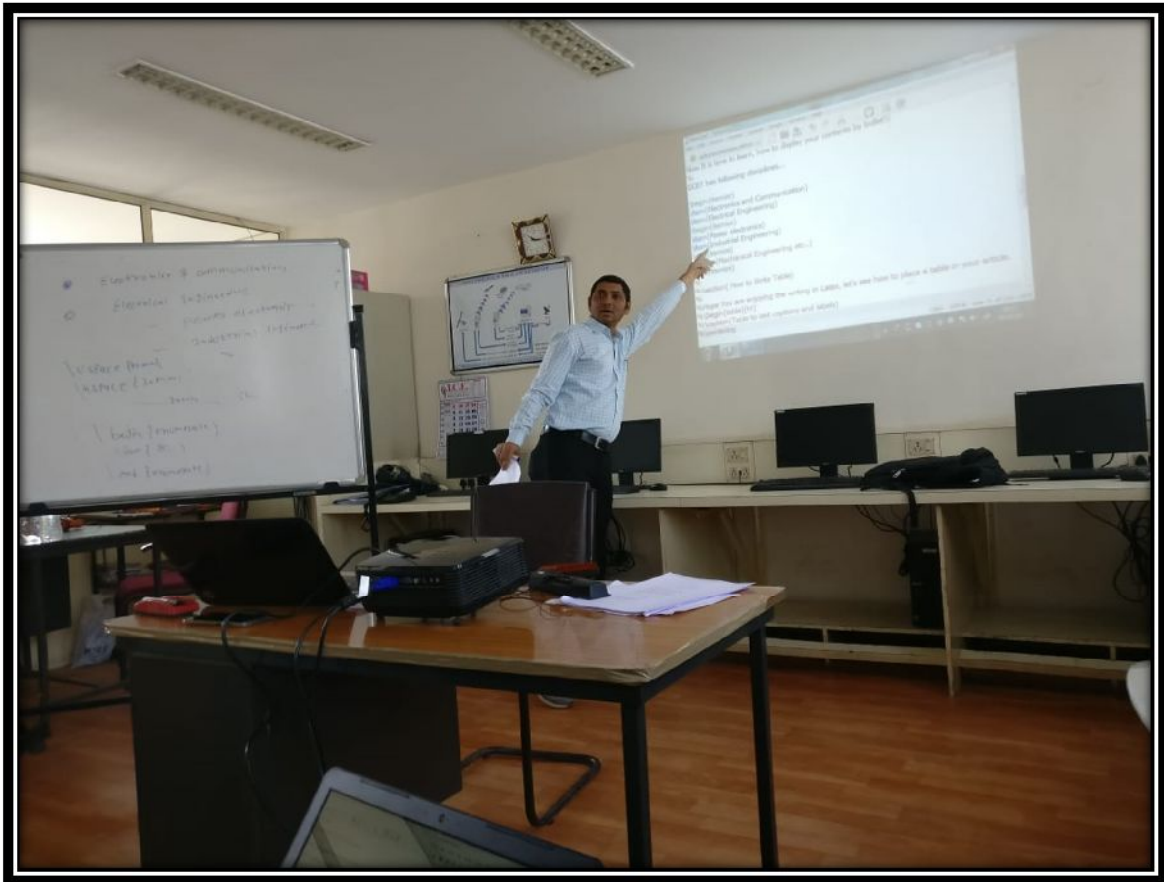

Brief Information about Workshop:

The workshop is introduced the participants to LaTeX software, an open source tool for technical academic and scientific documentation. Each session carried out with hands on which enable participants to get acquainted with LaTeX and feel the experience on their own. Topics are covered in workshop listed below.

- Basics of LaTeX
- Research papers/articles
- Report/Thesis preparation in LaTeX
- Inserting images, tables, mathematical equations
- Beamer
- Presentation slides

Detail Schedule of Workshop:

The workshop was planned in two sessions. First session was conducted by **Dr. Samir Trapasiya**. It covers introduction to LaTeX software along with basic of LaTeX and installation procedure. He also explain how to insert images, tables, mathematical equations in latex file. He was also explained how to make beautiful power point presentation using beamer. In this session, he has explained how to change layout, frame, font colours and PPT colours.

Second session was taken by **Prof. Mayank Ardehana**. In this session, discussed about thesis preparation which covers list of contents, list of figure and table, cover pages, abstract, chapter. He has also discussed how to write research article format like IEEE Journal, conference, transaction etc. He has also discussed how to insert reference, label using bibitem. In Total 21 students from EC departments have been participated in this workshop and take the benefit of that.

EVENT FEEDBACK FORM

Name of an Event: Workshop on Latex Date of an Event: _____

Course associated with an Event: _____

Sr. No.	FEEDBACK	CHOICE
1	Do you think the event has increased your interest in additional learning?	<input checked="" type="checkbox"/> YES / <input type="checkbox"/> NO
2	Do you think the event has improved practical knowledge of Electronics & Communication Engineering?	<input checked="" type="checkbox"/> YES / <input type="checkbox"/> NO
3	Do you think the event has helped you to involve yourself as a team member?	<input checked="" type="checkbox"/> YES / <input type="checkbox"/> NO
4	Do you think the event has provided you a platform to learn something beyond the syllabus of a course contents in the current semester?	<input checked="" type="checkbox"/> YES / <input type="checkbox"/> NO
5	Do you think the event has helped you in improving your communication skill for representing your technical ideas?	YES / <input checked="" type="checkbox"/> NO
