Computer Society of India, Student Branch, GCET, Vallabh
Vidyanagar

Event Name: Blockchain 2.0
Venue: A323 (GCET)
Time: 3:30 PM to 5:00 PM
Expert Speaker: Prof. Deven Gol
No. of Participants: 53

The CSI Student branch at G. H. Patel College of Engineering and Technology (GCET), V.V. Nagar (region III) organized an expert talk on “Blockchain Technology and its Applications” on 9th July, 2019.

This expert talk was specially organized for the second year students of IT and CP department. It was conducted by Prof. Deven Gol, Assistant Professor of Information Technology Department. And it was coordinated by Prof. Vinita Shah, Assistant Professor, Information Technology department.

The aim of this workshop was to make the students aware about the concept of blockchain technology. Speaker started with the prerequisites one needs to know to begin a career in blockchain. He also talked about crypto currencies and the platforms from where one can mine bitcoins. The speaker then conveyed the advantages of blockchain over conventional systems. Students asked various questions regarding the session and showed great interest in the field.
