**AN EXPERT TALK ON "ENTREPRENEURIAL JOURNEY" ORGANIZED BY DEPARTMENT
OF INFORMATION TECHNOLOGY UNDER SSIP AND EDC
ON 30TH SEPTEMBER, 2019**

Department of Information Technology, G H Patel College of Engineering and Technology (GCET), A Charutar Vidya Mandal Institute, Vallabh Vidyanagar, in association with Student Startup and Innovation Policy (SSIP) and Incubation & Entrepreneurship Development Cell (IEDC), organized an expert talk on "**Entrepreneurial Journey**", which was coordinated by Prof. Mittal Darji (SSIP member, IT dept.) and Prof. Yogesh Dangar (SSIP Finance member, IT dept.) on 30th September, 2019 from 4.30 PM onwards. This talk was specially organized for the students of Second year and Third year of Information Technology Department. Total **44** students actively attended this expert talk.

Main focus of the talk was to make the students aware of the importance of innovation and to encourage them for turning their ideas into startups! This event also aimed to enhance the entrepreneurship ecosystem of the college.

The talk was delivered by **Mr. Henil Collerwala**, CEO of Cliff Infratechno build Ltd., Ahmedabad, Gujarat. He started with the motivation he got from his final year project to convert it into a start-up. He shared with the students his experiences of success and failure while making his company achieve the current state of reputation. This inspired students. He encouraged students to pursue the entrepreneurship on the innovative ideas they have.

The talk delivered was interactive and helped students resolve their queries regarding entrepreneurship and startups. The efforts made by the expert were extraordinary to motivate young minds. Overall, the event achieved its aim and was a success!
