Introduction

The GCET ISA Students' Branch had organized a Workshop on Motion Graphics & Music Composition in which we had three Guest speakers. First, we had Mr. Jaimin Patel, an experienced and expert in Motion Graphics and VFX; joining him were two of the best music composers and producers, Mr. Aatman Desai and Mr. Divyang Patel (well-known by his stage name D-Trex).

The topic for this webinar was 'WORKSHOP ON MOTION GRAPHICS & MUSIC COMPOSITION'.

This webinar took place on 12th September 2020 from 10:00 am to 12:30 pm on the worldwide appreciated and use-friendly platform, Microsoft Teams.

A total of 110 participants registered for the event.

The student coordinators of the webinar were Rushi Patel and Vibhuti Patel.

About the Speaker

Mr. Jaimin Patel pursued his Bachelor of Engineering from G H Patel College of Engineering & Technology, Anand in 2016. He is an expert in Motion Graphics having 3 years of experience as a VFX artist and a video editor with 5 years of experience in Graphic Designing as well. Currently, he works in the Gujarati Film Industry as a Senior Graphic Designer at Swisstech Unicorn IT firm.

Mr. Aatman Desai, an alumnus of G H Patel College of Engineering & Technology, Anand is currently working in field of Music production from the True School of Music, Bombay - as a student and as a teaching assistant.

Mr. Divyang Patel, am alumnus of G H Patel College of Engineering & Technology, Anand is a self-taught artist and a music producer since 2014. He is well known by his stage name D-Trex, he has composed many remix and mashups, he has also composed background music for various short films, for which he has won 1st position in Amul Volcano and was recently featured in Karan Kanchan's live stream for his bass house track.

All these speakers are alumni of our institute, possessing great skillset and talent in their respective fields.

About the webinar

Over 105 students and professors had joined the webinar on 12th September, 2020, to get the knowledge from our speakers that how they all worked in their own field. The speakers also shared their experience and also narrated their journey in their respective fields.

After a short introduction of our 1st speaker Mr. Jaimin Patel, began his session with a basic introduction of Motion Graphics. He had given some examples of it. After that he explained in detail via tutorial how to make a proper video of Motion Graphics and also, he shared the history of it that how difficult it was for the artists to make a one Motion Graphic video.

Many attendees raised their doubts and Mr. Jaimin answered all queries, during his 1hr session. Really that session was very educating and inspiring for all of us.

After the completion of our 1st 1hr session of Motion Graphics, we had conducted another session of Music Composition with another two respected speakers Mr. Aatman Desai and Mr. Divyang Patel.

They began their session with short introduction and some examples of Music Composition. After that they started delivering information to us about them composing and producing Music and working on it. They played many short tracks and displayed the mixing pf various tracks to one single track. At the end Mr. Aatman had played the mixed unique track named 'Rakhi Sawant track', which was very funny and mixed by him.

After the completion of our 2nd 1hr session of Music Composition, Mr. Aatman and Mr. Divyang answered all queries raised by attendees.

It was very educating and inspiring session conducted by the speakers. They all commonly concluded by motivating the attendees to dig out their hidden skills, talents and passion to rejuvenate our self.

With the efforts, guidance and team work from,
