### JOL Village

Ministry of Human Resources Development (MHRD), Government of India has launched the national program called **Unnat Bharat Abhiyan (UBA)**, with the vision to involve professional and higher educational institutions in the development process of rural areas in the country to achieve sustainable development and better quality of life.

As a part of mission we have organized awareness program "**PLASTIC FREE INDIA**". A team of UBA visited village **JOL** and distributed Eco- friendly cloth bags. Our team visited primary school of the village and explained harmfulness to nature due to Plastic. We advised to avoid use of single-use plastic to save the environment and distributed the Eco- friendly bags as a part of our campaigning. We also distributed the bags to Gram Panchayat members. All have joined our hands to fight this menace and preserve our beautiful environment.
