Unnat Bharat Abhiyan (UBA)

Sandesar village

Under UNNAT BHARAT ABHIYAN and concept of Plastic free India, We have visited Sandesar village on a date of 1st Jan 2020. We visited Pritam high school as young boys of school can propagate this message in society very easily and faster.

We gave speech on our abhiyan as well as “Plastic free India”. We addressed all the students and staffs about this programme and role of GCET for the same. Around 145 cloth bags were distributed in Pritam High School. Response from the students and staffs were sublime and enthusiastic.

We have also visited in village for propagate this message in sandesar village peoples. We have distributed around 30 bags to different persons in village.
