

G H PATEL COLLEGE OF ENGINEERING & TECHNOLOGY

DEPARTMENT OF CIVIL ENGINEERING

REPORT ON ALUMNI TALK

DATE AND TIME: 30th July, 2020 at 3:30 pm

NAME OF THE ALUMNI: Mr. Vijay Sonani, Assistant Engineer, Roads & Buildings Department, Government of Gujarat

TITLE: How to prepare for GPSC Exams?

AIM: The main aim of the expert talk is to aware the students about preparation for the GPSC exams

ABOUT THE TALK:

The Alumni Talk was organized by Civil engineering department along with ISTE Student Chapter and conducted by the Mr. Vijay Sonani (2014-2018 Batch). The event was organized for the Civil Engineering students. More than 100 students attended this expert talk.

The talk started with his introduction and experience in college. He shared his role of job in his company. He discussed about the syllabus and the different reference books for the preparation of the written exam. After written exam preparation guidelines, he shared his experience of interview that which type of question can be asked and what mistakes he had done which students have to take care. He also discussed about the future Government vacancies and students can start their preparation.

He discussed that even in less time how to prepare specific and important subjects and attending the regular classes helped him for the fundamental knowledge.

The overall talk was very informative and interacting for students to prepare for GPSC exams.
