

G H PATEL COLLEGE OF ENGINEERING & TECHNOLOGY

DEPARTMENT OF CIVIL ENGINEERING

REPORT ON ALUMNI TALK

DATE AND TIME: 6th August, 2020 at 3:30 pm

NAME OF THE ALUMNI: Mr. Brijesh Wala, B.E.Civil from GCET, VV Nagar, M.Tech. from IIT Delhi

TITLE: How to prepare for GATE Exams?

AIM: The main aim of the expert talk is to aware the students about preparation for the GATE exams

ABOUT THE TALK:

The Alumni Talk was conducted by the Mr. Brijesh Wala (2014-2018 Batch). The event was organized for the Civil Engineering students. More than 50 students attended this expert talk.

The talk started with his introduction and experience in college. He shared his role of job in his company. He discussed about the syllabus and the different reference books for the preparation of the exam. He discussed that how to prepare specific and important subjects and attending the regular classes helped him for the fundamental knowledge. He discussed about the weightage of the subjects and continuous practice and revision is necessary for all subjects. He shared his journey for getting admission in the IIT. He discussed about his project and two years journey in IIT, Delhi.

The overall talk was very informative and interacting for students to prepare for GATE exams.
