<u>No. of students:</u>	62

The GCET Alumni Association, organized an expert talk on “Introduction to Explainable Artificial Intelligence” for third year CP students on 27th December, 2019 at 1:30pm to 2:30 pm. It was conducted by Mr. Neel Shah, GCET alumnus 2017 batch who is currently pursuing masters at Bamberg University, Germany.

The Alumni summarized role of curriculum activities in academic growth of students and benefits of having good foundation for basic subjects like theory of computation, computer architecture etc. The alumni mentioned significance of IT job in abroad and how to apply for MS in Germany and how to select a university for the same.

Conclusion:

It was a Wonderful experience for all students as well for staff. Every student was very co-operative to each-other as well to the faculties. Students were acquainted of latest trends & practice in IT sector.

We (all students and staff members) are very much thankful to Dr. Maulika Patel, Head of Computer Engineering Department for giving their valuable support.

We are also very much thankful to the alumni for dedicating their valuable time for an interaction session with our students.
