The GCET Alumni Association, organized an expert talk on “Career Guidance for IT Professionals” for third year CP students 23<sup>rd</sup> December, 2019 at 1:30pm to 2:30 pm. It was conducted by Mr. Ankit Thakar, GCET alumnus 2014 batch, who is currently working as Sr. Software Engineer, Siemens India.

The Alumni summarized the role of an IT professional in industry. The speaker elaborated role and responsibility of an IT person in corporate culture. The alumni emphasized on gaining better knowledge during the curriculum is very beneficial for a good career growth. He also summarized role of extracurricular activities in academic growth of the students. The alumni discussed in details about his experience working as software engineer at Bombardier Inc. He also informed the students about various career opportunities for IT professional in Government as well as private sector.

### **Conclusion:**

It was a Wonderful experience for all students as well as for the staff. Students were acquainted of latest trends & practice in IT sector. We (all students and staff members) are very much thankful to Dr. Maulika Patel, Head of Computer Engineering Department for giving their valuable support. We are also very much thankful to the alumni for dedicating their valuable time for an interaction session with our students.
