ABOUT ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. At present, ISTE has a very large and an effective membership base consisting of more than 1,02,985 Life Members, 5,54,094 Student Members, 2410 Institutional Members (including IITs, IISc, NITs and other leading technical institutions), 1214 Faculty Chapters and 1322 Students' Chapters and 17 Sections throughout the country.

The major objective of the ISTE is to provide quality training programs to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top-quality professional engineers and technicians needed by the industry and other organizations. Recently GCET ISTE student chapter was given the best student chapter in Gujarat.

Quiz – An Overview

The quest for knowledge never ends; it just leads to more curiosities that lead to a greater mind. Thus, to encourage the students to widen their overall knowledge, an online quiz was organized for 2nd and 3rd year students of Computer Engineering on 2nd September, 2020. Total 96 students participated enthusiastically and actively, which made them to focus on Time Management along with chasing various challenging questions.
The quiz was basically of three rounds, namely:

1. **Aptitude Test**

2. **General knowledge Test**

3. **Technical quiz**

Each round consisted 40 questions. The duration for each round was different that is depending on the logical and factual views of questions;

- First round was for half an hour with average of 45 seconds for each question.
- There were 48 students qualified for the second round which was for 13 minutes with average of 20 seconds for each question.
- It was followed by third round for which 24 participants from second round were qualified, consuming half an hour of duration.

Winners of the Brain spotting Quiz:

1. Keyur Pandya (3rd Year, CP)
2. Mehul Patel (3rd Year, CP)
3. Yash Kotadiya (2nd Year, CP)

Conclusion

This quiz was beneficiary for both coordinators and participants in various ways. The coordinators learned teamwork, event management, and time coordination.

The Participants grabbed their opportunity very well. They brushed up their memory and logical approaches in the course of that few hours, which was the best for them. Getting a break from these lethargic moments of life, they enjoyed and performed it so lively that would even made them excited for more such challenges.
