An awareness session was organized for First year and Second year students of Information Technology department during third week of February, 2020. The objective of these sessions was to make students aware about the working goals of IEDC committee and to encourage them towards active participation in activities carried out under this cell.

Students were made aware about entrepreneurship, start-up and their advantages. The committee is planning to conduct special skill share workshops and events dedicatedly for the students who desire to have their own startup in future. For the same, interested students are informed to register.

As a departmental IEDC coordinator of IT department, Prof. Mittal Darji conducted these sessions with count of total 86 students. Overall the session was informative for students.
