## **INDUSTRIAL VISIT REPORT**

**NAME OF THE INDUSTRY: BISAG**

**DATE: 13<sup>th</sup>, AUGUST, 2018**

**VENUE:** Near CH '0' Circle, Indulal Yagnik Marg, Gandhinagar - Ahmedabad Highway, Gandhinagar-382007 Gujarat, India.

**NO. OF STUDENTS PARTICIPATED: 45 (Third Year EC Students)**

**FACULTY MEMBERS: 03**

Prof. Rohit Parmar

Prof. Mayank Mahant

Dr. Deven Trivedi

Objectives of Industrial are to enhance the knowledge of students, to make aware of real industry, to know the persons of industry and what is the working role of the person in the industry.

One day industry visit to BISAG (Bhaskaracharya Institute for Space Applications and Geo-informatics) was organized by Electronics & Communication Engineering Department, GCET for their 5<sup>th</sup>-semester students as a part of Audio Video subject activity. The visit was planned for making observations in the desired framework of the course.

Due to prior communications with BISAG, Public Relation officer made special arrangements for students of GCET. The visit started with the presentation for GIS and showing a glimpse of BISAG. It also gave an introduction of company profile and its present functioning in BISAG for

a different activity. The technical team has explained GIS through presentation containing many functional block diagrams and various satellite image-based processing.

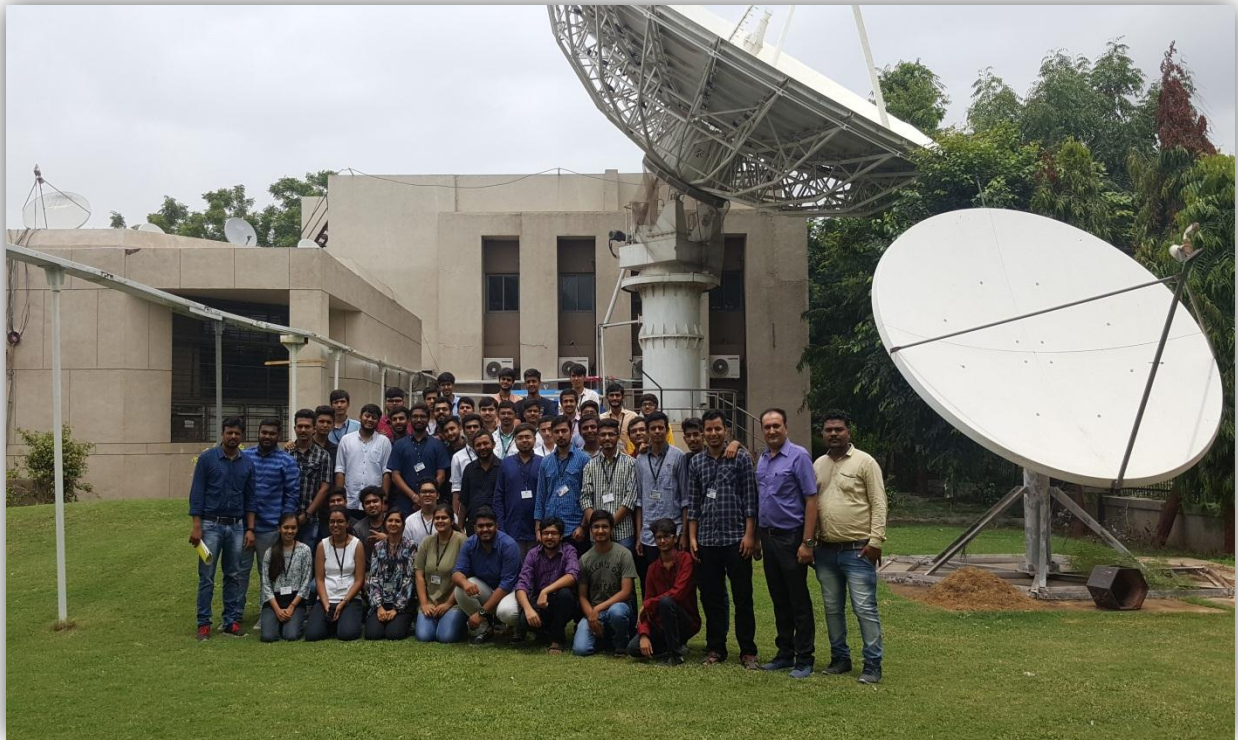

In post presentation period students visited a recording studio, Control room, Transmission section along with antennas section.

We are thankful to the institute & company management for providing all facilities and generous support.

This visit was organized in association with GCET IEEE Student branch.
