eInfochips is a Product Engineering and Semiconductor Design Services company headquartered in San Jose (USA) and Ahmedabad (India) and offers services for Device, Digital, Silicon and Quality Engineering.

The industrial visit began at 07:30 AM vitally and the students enrooted to E-INFOCHIPS, Ahmedabad. They reached at 09:30 AM. Initially after a welcome and coffee break, we have been taken to Training room at complex number 2 and there the eInfochips officials Mr. Ramesh Devani, Ms. Donga, Mr. Maulik Bhoraliya started the session on **ASIC design flow and DFT**. ASIC is an integrated circuit customized for a particular use, rather than intended for general purpose use. The entire stepwise process was explained in the form of presentation till 12.30 pm.

The Lunch break was between 12.30 – 01.15 pm at eInfochips canteen. Students enjoyed the delicious food served by canteen. Later on we visited the experience zone where the exhibition and product demo was arranged on 3<sup>rd</sup> floor of the same complex. During this experience zone visit various electronic gadgets / products related to traffic surveillance, video monitoring, home security surveillance, augmented reality based products, silicon wafer preparation and other ICs, health care monitoring devices, LED based hologram, smart e-cart were presented.

After the product demo the videos sessions on IC fabrication was shown in the training room followed by Q&A session. Students interacted with GCET alumnus working at eInfochips at the end and with the thanks note from Prof. Rohit Parmar and Group Photo visit ended at around 04:30 pm.

This visit was organized in association with IAS-PES Joint Chapter, IEEE GCET SB.
