Prof. Rohit Parmar

Dr. Sameer Trapasiya

Prof. Parthesh Mankodi

Dr. Krupal Parikh

After visiting the ceramic belt the third planned visit was at one Food industry namely Atop Food Products located on Morbi Rajkot Highway.

ATOP Food Products is an Indian snack food manufacturer in Gujarat, producing potato chips, namkeen, chatapata and sweets, with strong presence in the Western part of India. They are manufacturer of Potato Chips / Namkeens / Extruder Snacks (Kurkure) & Sweet (Son Papadi) under brand name of "Atop Food Products Pvt. Ltd."

It is the first company is certified under ISO 22000:2005 for Potato Chips / Namkeens with international safety standard measure in India. We've got Licence from FSSAI (Food Safety and Standards Authority of India). "Atop Food Products Pvt. Ltd." is located in middle of Gujarat, 60 Km far from Rajkot and 250 Km from Ahmedabad. Atop believes in latest Technology and utmost quality, World's No.1 technology production line is ordered & installed successfully and so as to comply, with packaging, front-line packaging machineries will be implied for complete packaging solutions which also include solvent-less nitrogen packaging, the very latest and conforming to the international standards. And for the First Time in India introducing the Safe-line Metal Detector Technology on complete packaging line that assures absolutely metal-practical-free product. Atop has incorporated all the latest technology machines so that the product can retain

its taste and freshness for longer time. Atop had three automated potato chips lines, and its production capacity 1000Kg/hr, 500Kg/hr and 200Kg/hr respectably and namkeen production capacity 1500Kg per hrs. and chatpata (Kurkure) 500 Kg/hr.

After the factory visit the students enjoyed the delicious ATOP salted Refill and with this salted taste they started their journey to Gondal Akshar Mandir where the night stay was planned.
