

EVENT REPORT

POSTER PRESENTATION AND ARTICLE WRITING COMPETITION

TOPIC: “CLEAN ENERGY
REVOLUTION” PES DAY 2021
CELEBRATION

DATE: 22ND APRIL 2021

G H PATEL COLLEGE OF ENGINEERING AND
TECHNOLOGY

INTRODUCTION

IAS-PES Joint Student Chapter of IEEE GCET Student Branch organized a Poster Presentation and Article Writing Competition on “**Clean Energy Revolution**” on account of PES Day Celebration 2021. The Power and Energy society aims to spread the message of “More power to the Future” across the globe. The **4th IEEE PES DAY** focuses on “**Clean Energy Revolution**”. PES Day goal is to engage the PES volunteers with PES history and “**5**” **PES pillars of the “More Power to the Future”** vision:

- Advancing global participation;
- Educating the Future Workforce;
- Industry Activity Trends;
- Standards Leadership;
- Participating in Regulatory Initiatives.

ABOUT THE CONTEST

The topic for the event was “**Clean Energy Revolution**”. The contest was globally open for all students to participate. The participants of the Poster Presentation were supposed to make a Poster and present it at the event by briefing about their poster. The participants of article Writing were supposed to write an article on the topic itself and submit it.

The rules for the Poster Presentation were:

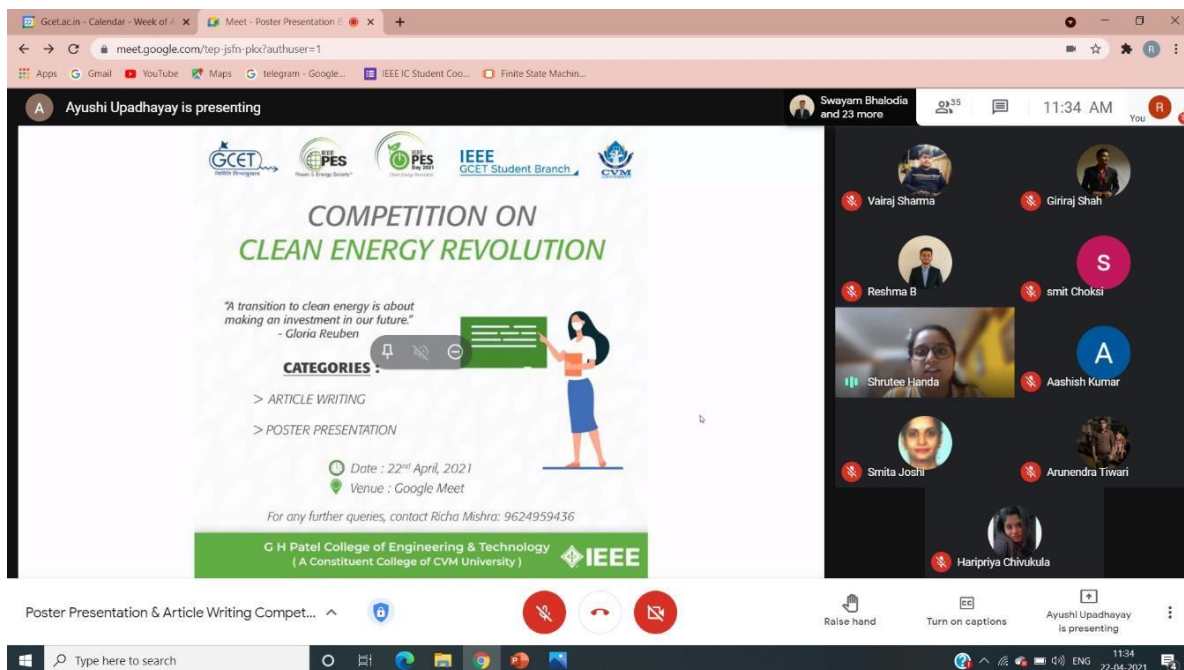

- The Poster must be done and submitted before the deadline.
- The maximum time limit for the presentation was 5 minutes.
- The poster should be stuck on the topic.

The rules for the Article Writing were:

- The Article should be of maximum of 2 pages.
- It should be in typed word document form.
- The font style should be “Times New Roman” and size “12”.

There was a total of 18 participants registered for the Poster Presentation and 43 participants for the Article Writing. Out of these 11 participants submitted their Posters and 21 participants submitted their article.

On 22nd April 2021, at 11:30 AM, the event started with the warm welcome of the judges, participants, and observers. Then there was a briefing about the Clean Energy Revolution done.

The Judges of the Poster Presentation Competition were Dr. Smita Joshi mam and Dr. Arunendra Tiwari sir. And for the Article Writing Competition Dr. Jayvirsinh Rajput sir.

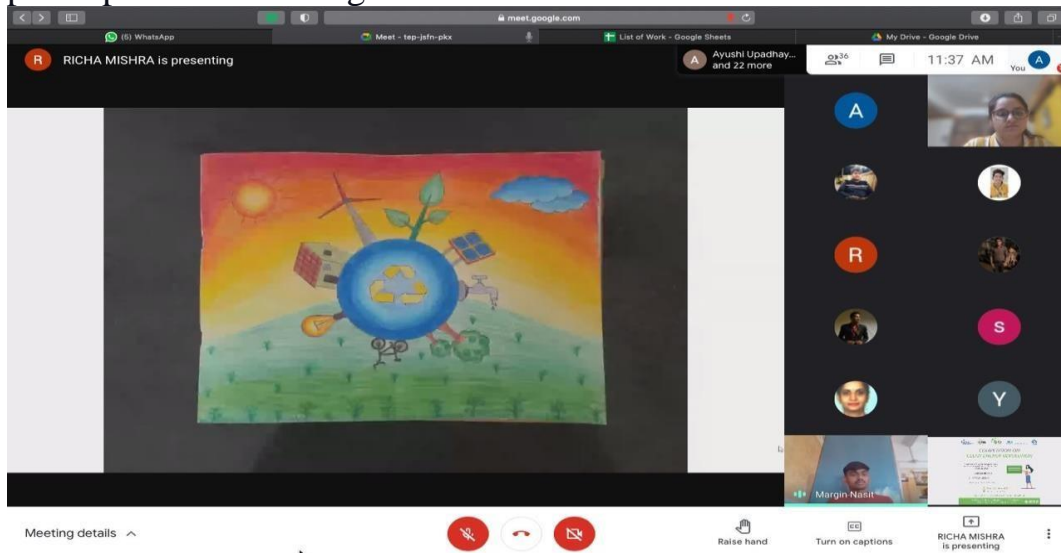

Dr. Arunendra Tiwari sir is from the solar energy division of Sardar Patel Renewable Energy Research Institute, Anand. He is doing his post-doctoral research on solar refrigeration and solar water pumping at the institute itself.

Dr. Smita Joshi mam has done her BSc, BEd, MPhil, and Ph.D. degrees from Sardar Patel University Vallabh Vidhyanagar. She is working with our college for almost 25 years.

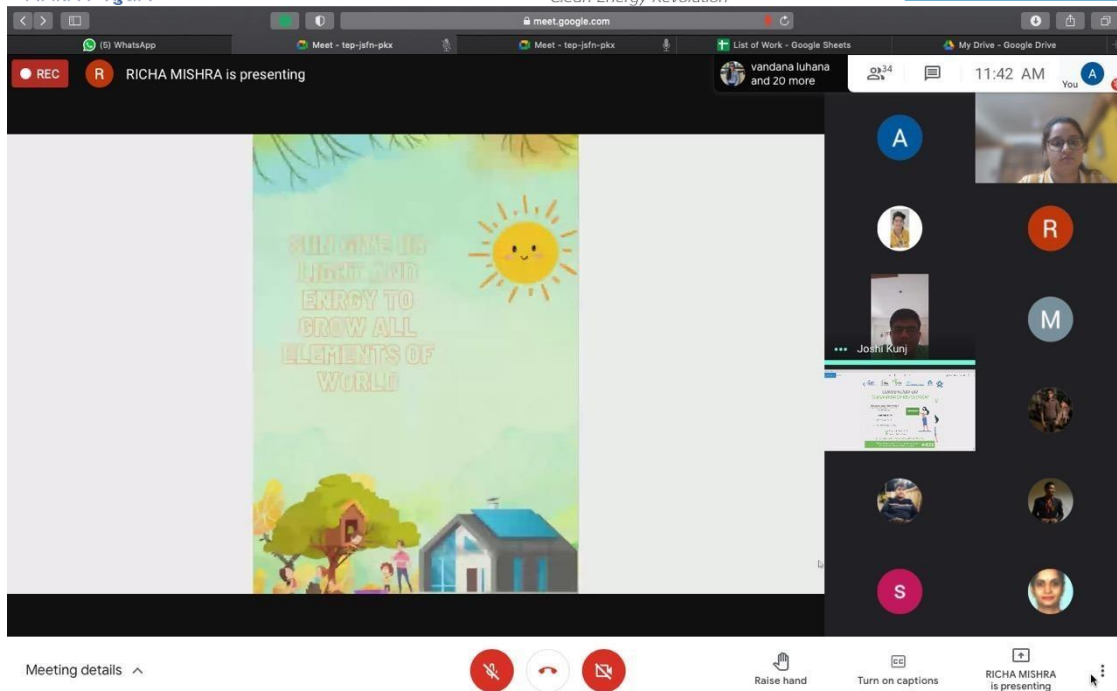

Dr. Jayvirsinh Rajput sir from the Applied Science and humanity department G H Patel College of Engineering and Technology. He has completed his MA and MPhil degrees from S P university Vallabh Vidyanagar. And got his Ph.D. done from the Saurashtra University Rajkot.

There was a total of 18 registrations for posters from which 11 had submitted the posters and there was a total of 43 registrations for Article from which 21 had submitted it. There was a total of 35 attendees in the meeting.

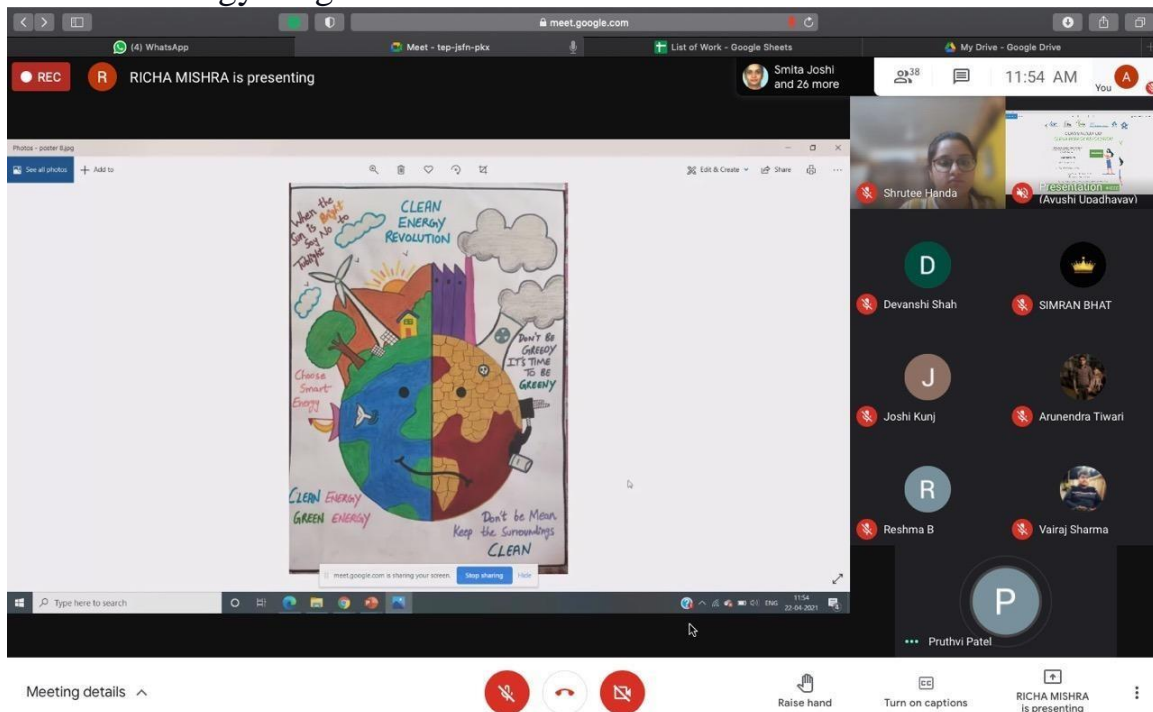

Now the event started with the Poster Presentations final round in which there was a total of 11 participants registered and submitted their posters. The first participant named Margin Nasit did well.

The second participant named Mohit Parekh got a network problem from his side. The third participant Parekh Rajavi was not present in the meeting. Forth participant named Kunj Joshi had done a little bit good and had done a good preparation too.

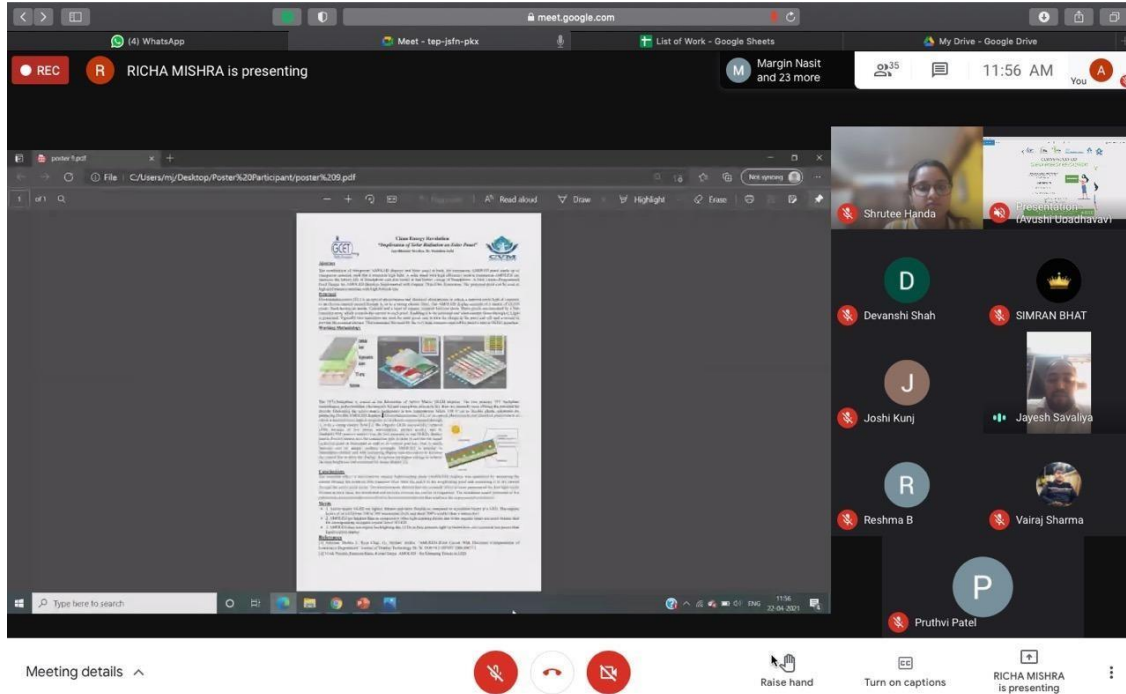

The fifth one was Simran Bhat and she presented in a better way. The sixth one was Devanshi Shah. The seventh one was Priya Intwal, she was not present in the meeting. The eighth participant was Pruthvi Patel, who talked about solar and wind energy usage.

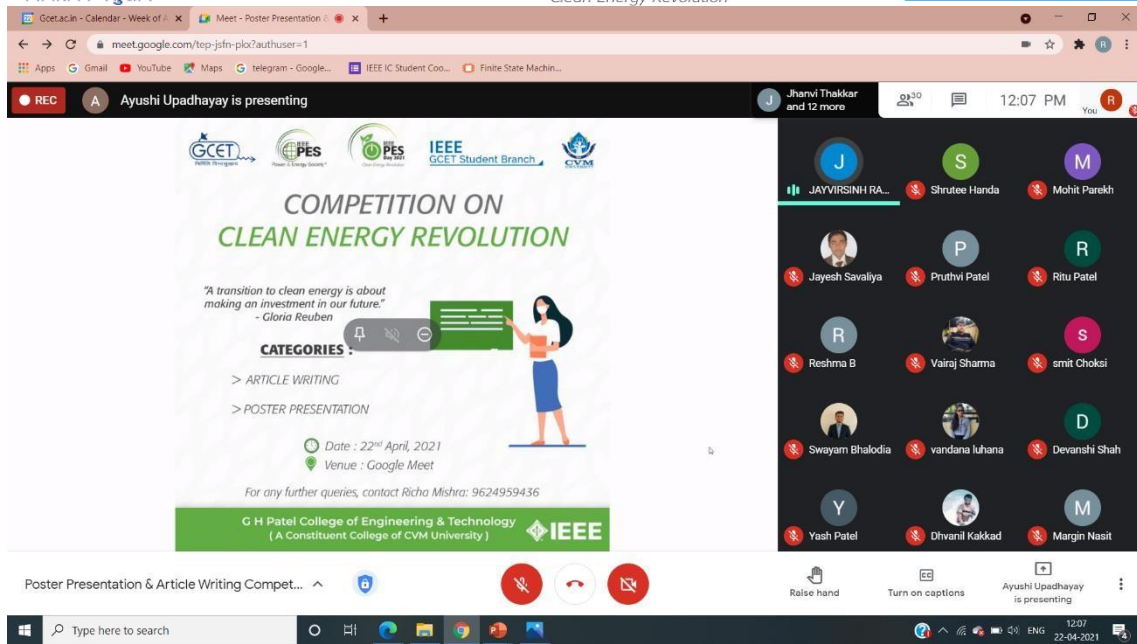

The next participant was Jayesh Savaliya, he spoke about the usage of led lights and transparent solar panels. Next Mohit Verma was not present in the meeting.

Next Vaishali Bharti was also not present in the meeting. The second participant Mohit Parekh now spoke about his poster in Hindi (one and only participant to speak in Hindi).

And now as the Poster Presentation got over, the judge of Article Writing Dr. Jayvir sir arrived for the result declaration and brief about the participation and participant in the Article Writing. He told them to first try to stick to the topic, depth knowledge of the topic is necessary, try to write in your own words, content should be well organized. So **the first runner-up for article writing was Reshma B, the second one was Smith Choksi, and the third Vidya Gunaharandhe.**
