APPRENDISTA- HOW TO GET A DREAM INTERNSHIP: AN OVERVIEW

Apprendista was a webinar conducted under **ISTE (Indian Society for Technical Education)** at G H Patel college of Engineering & Technology. The webinar was presided over by our esteemed guest lecturer, **Mr. Rohan Garg**. It was conducted on Microsoft Teams platform. The topic for the webinar was '**How to get a Dream Internship?**'

The webinar was well received by the students as well as the faculties. The number of participants amounted up to 180. The enthusiasm of the participants and the hard work and dedication of the GCET ISTE Student Chapter assisted the success of this event.

The poster features the logos of GCET, ISTE, and CVM University at the top. The title 'APPRENDISTA-HOW TO GET A DREAM INTERNSHIP?' is prominently displayed in bold black text. Below it, the section 'WEBINAR HIGHLIGHTS' is followed by a list of topics: 'Why Internships are important?', 'Do's and Dont's of internships', and 'How to find and get internships'. A date box indicates '20th MAY'. The time and platform are listed as '10:30 AM ONWARDS IST AT MS TEAMS'. A photo of Mr. Rohan Garg is shown on the right. A red banner at the bottom right identifies him as 'MR. ROHAN GARG', Founder of ICE GATE institute, & an MBA, IIM - Calcutta. The registration link 'http://bit.ly/APPRENDISTA' is provided, along with the host institution 'G H Patel College of Engineering & Technology (A Constituent College of CVM University)'.

ABOUT ISTE

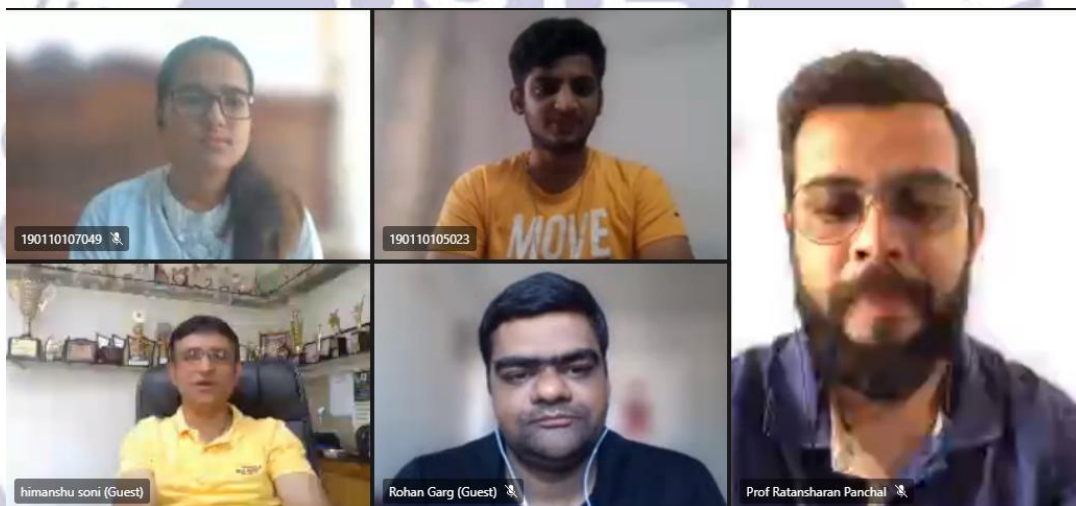

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. At present, ISTE has a very large and an effective membership base consisting of more than 1,02,985 Life Members, 5,54,094 Student Members, 2410 Institutional Members (including IITs, IISc, NITs and other leading technical institutions), 1214 Faculty Chapters and 1322 Students' Chapters and 17 Sections throughout the country.

The major objective of the ISTE is to provide quality training programs to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top-quality professional engineers and technicians needed by the industry and other organizations. Recently GCET ISTE student chapter was given the best student chapter in Gujarat.

TEAM OF APPRENDISTA

The webinar was coordinated by **GCET ISTE Student Chapter Core and Sub- Core team**. The responsibility was laid upon 55 strong shoulders for this event to be a great success. Their diligence, unity and coordination were the reason behind this great accomplishment. The student coordinators were:

Deep Raja
Aayushi Kanjar.

ABOUT THE SPEAKER

Mr. Rohan Garg is the **Director and Founder of ICE GATE** Institute and **MBA Graduate** from one of the most esteemed colleges of India, **IIM- Calcutta**. He completed his Bachelor in Engineering from Nirma University. He is also the centre head of **Career Launch Ahmedabad**.

ICE Gate Institute is one of the premier coaching institutes in India offering quality education and training for various exams and branches of engineering. Highly-experienced faculty members from the premier institutes and quality-driven approach to education make ICE GATE reliable GATE coaching classes with the primary focus on the quality of the training and education.

Career Launcher is one of the leading names in the education domain including Management Education, Engineering, and Law. His YouTube sessions are always helpful and it receives many positive responses from students all over India.

Rohan Sir will be capturing our attention in this Webinar by a topic of **“How to get a Dream Internship?”** where he will inculcate his vast knowledge of the industry in us. He will be covering some very important and common questions usually raised by students such as:

1. Why are internships important?
2. Dos and Don'ts of internship.
3. Where and how to get an internship.

EVENT DESCRIPTION

The webinar was conducted on **Microsoft Teams** platform. The date of webinar was 20th May, 2021. Since the webinar was attended by the students and faculties of many other colleges, our principal sir, Dr. Himanshu Soni, gave the introduction of our college. After the introductions, Rohan Sir started his session and it was greatly appreciated by the attendees. The questions asked by them were aptly answered by Rohan Sir.

The topic of the webinar was “How to get a Dream Internship?” The feedback collected was positive and very encouraging. The attendees got to learn many new things.

The screenshot shows a Microsoft Teams webinar interface. The main content area has a dark blue background with the title "Training v/s Internships" in white. Below the title, there are two columns of text. The left column is titled "1. TRAINING" and the right column is titled "2. INTERNSHIPS". Each column contains a bullet point defining the respective concept. At the bottom of the screen, there is a horizontal bar with five circular icons representing participants. From left to right, the icons are: a green circle with "SP", a blue circle with "1", a blue circle with a person silhouette, a video feed of a man (Prof. Ratansharan Panchal), and a blue circle with a person silhouette. Below the icons, the names and IDs of the participants are listed: "190110105023", "12002080501005", "Prof. Ratansharan Panchal", and "180110119035".

Training v/s Internships

| 1. TRAINING | 2. INTERNSHIPS |
|--|--|
| <ul style="list-style-type: none">• "A training is a different form of internship in terms that it is much more focused on teaching by someone rather self learning experience coming from the environment around and the job done. I consider it to unfortunately leading to spoon-feeding at times." | <ul style="list-style-type: none">• "A real, ideal internship will be a temporary position with focus on the assigned job with the intern given respect and responsibilities like a regular employee. The learning comes from the experience of the work the intern does." |

CONCLUSION

The webinar was a great success. The attendees gathered were satisfied that their questions regarding internship were answered. The session was very informative and we revelled in the satisfaction and praise of the motivating attendees and encouraging faculties.

We extend our gratitude to principal sir, **Dr. Himanshu Soni**, for giving us the permission to organize this webinar; and **Prof. Ratansharan Panchal** for guiding and supporting us through the journey.
