Vidyanagar

A session on “Exploring Machine Learning” was organized on 15th October, 2019. It was organized primarily for the first and second-year students of Computer Engineering and Information Technology Department and was conducted by Mr Ruchitesh Malukani and Mr Nihaal Subash, 4th year Computer Engineering students of GCET. In the session, they discussed about the inability of conventional algorithms and the importance of ML in the contemporary world. It was an immensely helpful talk for all the students who wanted to understand the basics of machine learning.
