

### ELECTRICAL ENGINEERING DEPARTMENT

#### Alumni Talk

**Name of Alumni:** Kushal Oza (06EE)

**Date of Talk:** 18/01/2021

**Venue:** Online (MS Teams)

**Topic:** Recent Trends in Electrical Engineering & Sustainable Career Growth

Department of Electrical Engineering has organized an alumni talk for 2<sup>nd</sup> year students. Mr. Kushal Oza, presently working as a Lead Engineer-Railway Domain at QuEST Global, Vadodara delivered a very informative lecture on the topic “Recent Trends in Electrical Engineering & Sustainable Career Growth”.

The speaker discussed about the recent trends like electric vehicles, AI, IoT, etc. According to the students, the session was very interesting, and it would be very helpful for them.
