

Alumni Talk Report

An online alumni talk for the final year undergraduate students of Mechanical Engineering department was held on 12th August 2021, from 02:30 to 03:30 PM using MS Teams platform.

Speaker : Brijesh Patel and Paresh Patel (2009 batch student).

They are joint owner of Ravi Engineering - a firm involved in design and development of cold storage.

Topic of talk was 'Design and Development of Dessicant Dehumidifier '. They have offered this as a project for the final year Mechanical engineering students.

Talk was followed by interactive session where students took active part.
