Event Report

Title of Event: My Journey, My Story

Resource Person: Mr Apurva Oza

Day & Date: 25th September 2021

Class: GCET students

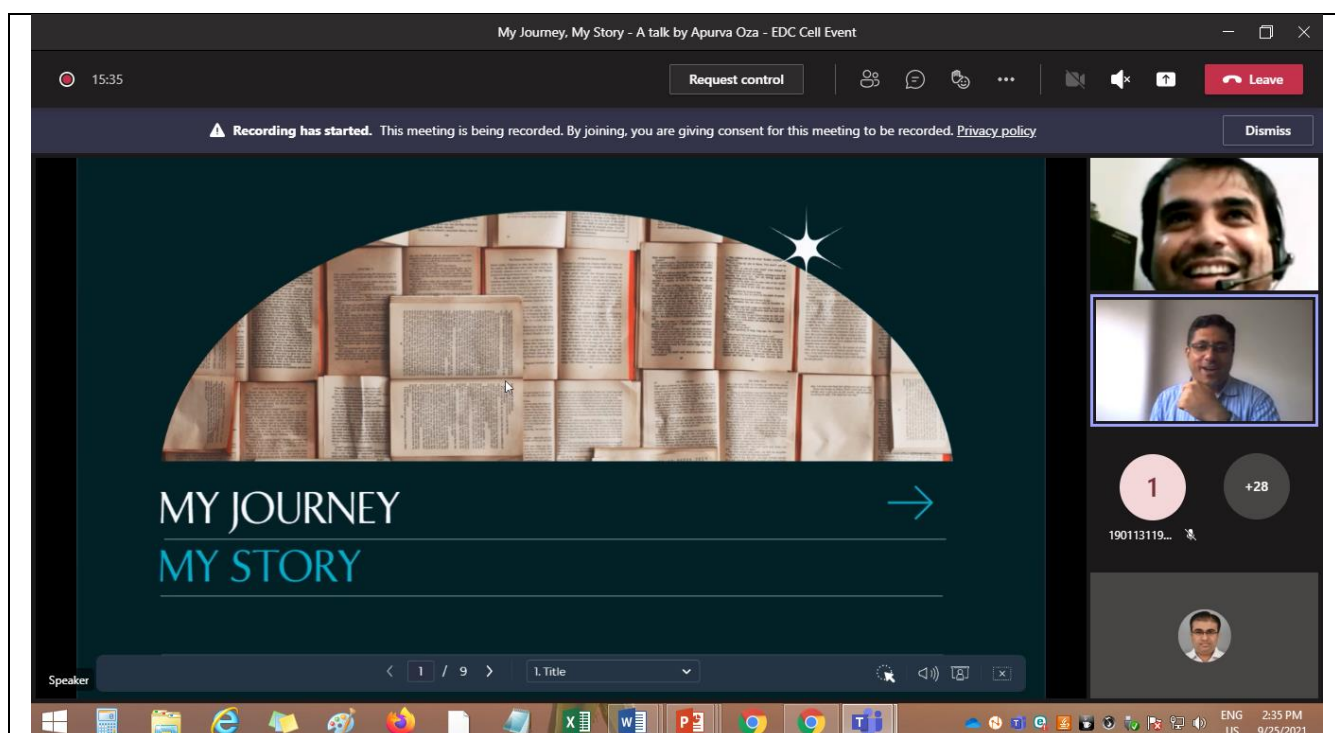

Time & Venue: 2:30 PM, ONLINE

No. of Students Participated: 35

Event Description:

An online talk titled “My Journey, My Story” was delivered by Mr Apurva Oza on 25th September 2021 at 2:30 PM. Apurva is alumni of Mechanical Engineering Department (first batch ,1997 entry), GCET. He has worked in the industry for more than 17 years. Apurva has founded a technology driven company APTRaise Technologies Pvt. Ltd and is currently serving as Managing Director in the same. APTRaise has launched new software in ED-Tech which is setting a new trend in AI based knowledge delivery (AI framework), AI based smart wearables and offering C-Suite services for start-up and mid-sized companies.

Apurva shared his experiences with the students and highlighted the challenges in switching from job to his own company. The session was followed by an interactive session where Apurva answered the queries of the students related to process of getting funding, incubation centers, government grant application process etc.
