

## **“Let’s Break The Glass Wall”**

A webinar was organized by Women Development Cell (WDC), G H Patel College of Engineering and Technology (GCET) on 17<sup>th</sup> February, 2021 between 2:30pm to 3:30 pm for all female faculties and girl students of GCET.

The speaker Dr. Sulabha Natraj has delivered her talk from GCET conference room. Second year and third year students’ classes were online. So, they have attended the webinar through the Micro soft Link . The webinar was telecasted in GCET Auditorium for first year and final year whose classes were on the campus.

Ms. Gitel Panwar, first year IT student has addressed the audience and performed her role as anchor during the program. Dr. Khadeeja Priyan, HOD Civil Department, GCET introduced the distinguish speaker. Dr. Sulabha Natraj, speaker of the program has delivered her talk on “Let’s Break a Glass Wall”. She reached out to the Girl Students in a very dynamic manner. She began her talk with the qualities associated with the Goddesses from the Ancient Indian background- Durga, Lakshmi, Kali, Saraswati....Slowly she transcended the gap and reached the challenges faced by today's women- be it working women or Homemakers. Irrespective of their educational and social background, all women need to reassure themselves about their capabilities. It is a journey where you need to stand up and support your front, and simultaneously also respect the one who is on the other side. *Thereby, we can break the glass ceiling.*

Dr. Krupal Parikh, convener of the event has delivered vote of thanks. Total 93 participants (68 student participants and 25 faculties) have attended the program. Overall it was very inspirational lecture for girl students. With recitation of the National Anthem, the program ended with a positive note.
