

## **“Goalpost”**

A webinar was organized by Women Development Cell (WDC), G H Patel College of Engineering and Technology (GCET) on 24<sup>th</sup> February, 2021 between 2:30pm to 3:30 pm for all faculties and students of GCET. Dr. Krupal Parikh is the convener of the program.

The speaker Dr. Dolly Kabaria has delivered her talk online through Micro soft team platform. Second year and third year students' classes were online. So, they have attended the webinar through the Micro soft Link . The webinar was telecasted in GCET Auditorium for first year and final year as their classes were on the campus.

First year IT students of GCET, Ms. Ami Raj and Ms. Henali Shah have introduced the speaker of the webinar and successfully conducted anchoring in the webinar. Ms. Dolly Kabaria, speaker of the program has delivered her talk on “Goalpost”. She is a computer engineer but has a passion of photography. So, after few years of job in IT field, she has developed her career in Photography. She said that to make a balance between academic & corporate life one has to develop an adaptive nature. She has revealed her journey of working in an IT field to a professional photographer and artist. She advised students to keep their passion live and live lively. In nutshell it was really an interesting and informative session.

About 200 participants (Off line & online) have attended the program. With recitation of the National Anthem, the program ended with a positive note.
