

# G H Patel College of Engineering and Technology

## Department of Computer Engineering Project/Internship Fair 2022

Date: 26<sup>th</sup> March 2022

---

The Engineering Program cannot be completed without successful project work. The project shows how a student's engineering career shaped. To highlight the final year Engineering project Gujarat Technological University (GTU) started the project fair programme.

To showcase the potential of the engineering student, Computer Engineering department organized a Project Fair on 26<sup>th</sup> March 2022. The event was organized by Dr. Priyang Bhatt, project coordinator under the guidance of Dr. Maulika S Patel, Head of Computer Engineering department.

Final year Students of Computer Engineering Department took part in the event. **Total 71 projects/Internships** work were demonstrated with its poster by the students.

The students presented their work to their fellow students of 2<sup>nd</sup>, 3<sup>rd</sup> year students visited this fair. Students tried their best to explain their project among students as well as to the expert. Based on the verdict of the expert the students were appreciated for their work.

Following jury members invited by the department:

1. Dr. Falgun Thakkar, EC Dept, GCET
2. Dr. Samir Trapasiya, EC Dept, GCET
