eInfochips is a Product Engineering and Semiconductor Design Services company headquartered in San Jose (USA) and Ahmedabad (India) and offers services for Device, Digital, Silicon, and Quality Engineering.

The Industrial visit at eInfochips was organized by the Department of Electronics & Communication Engineering of G H Patel College of Engineering & Technology, Vallabh Vidyanagar for B.E. 2nd year and 3rd-year students on 29th April 2022.

We started our journey at 8:30 am from the institute and E-INFOCHIPS, Ahmedabad reached at 11:00 pm. Initially, after a welcome and coffee break, we have been taken to a session and there the eInfochips officials Mr. Nirav Nanavati and Mr. Bhavin Patel started the session on ASIC design flow and DFT and Product Engineering Service (PES). ASIC is an integrated circuit

customized for a particular use, rather than intended for general purpose use. The entire stepwise process was explained in the form of a presentation till 12:30 pm.

The lunch break was between 12:30 to 1:00 pm at the eInfochips canteen. Students enjoyed the delicious food served by the canteen. Later on, we visited the experience zone where the exhibition and product demo were arranged on the ground floor of the same complex. During this experience - zone visit various electronic gadgets/products related to traffic surveillance, video monitoring, home security surveillance, augmented reality-based products, silicon wafer preparation, and other ICs, health care monitoring devices, LED-based hologram, and smart e-cart were presented.

After the product demo, students interacted with GCET alumnus working at eInfochips at the end, and with the thanks note from Prof. Rohit Parmar and the Group Photo visit ended at around 2:00 pm.
